

- Staff Activity -

I See You

Objective: Engage teachers to bring forth innovative ideas that empower

Estimated Time: 15 Minutes

Materials: Notecards

Purpose: To communicate what you value in others

Share What You See In Others

Brainstorm Session: Have staff gather in circle and pose the following questions.

Question 1: What do you notice in students that you value and want to promote?

Question 2: What can you communicate to others that you see in them?

Question 3: What do you want others to see in you?

After the discussion concludes. Ask teachers to write a note to a staff member or student about what you “see in them”.

Give teachers time to write notes to students and staff and then have staff deliver them.

USE this information! Elevate others. Support teachers as they elevate students. *Make sure to write a few notes to teachers as well.*
